

## Children of Haiti Need You! : An Appeal

Dear Friends:

The devastation in Haiti has taken a massive toll on humanity. The earthquake according to some estimates has claimed hundreds of thousands of lives. As in any tragedy, children are among the most affected victims. Children of Haiti need your help and we need to restore hope.

IndUS of Fox Valley, in collaboration with India Association of Northeast Wisconsin (IANEW), is appealing to the generosity of the citizens of Fox Valley. Let us pull together to help children of Haiti rebuild their future.

Here are a few important points for you to note as you open your heart and wallet:

- IndUS is offering a challenge grant of \$ 2500 from its Investing in Children fund, toward a reconstruction project to help Haitian children. Every dollar of your generous donation, up to this amount, will be matched by IndUS with an equivalent amount.
- 100% of your donations will benefit the children of Haiti.
- We will seek collaboration with local organizations to leverage this collection to do maximum good for the affected children of Haiti.
- IndUS is a non-profit organization per Section 501 (c) (3) of IRS Code [EIN: 33-1023766] your donations are tax deductible.

We appeal to your generosity.
