

## 2012....A Celebration of Caring and Compassion

In 2012 we celebrate 25 years of caring and compassion in the Fox Valley. Although the new year will undoubtedly bring new challenges to face, we are optimistic that with the help of our community partners, we will turn those challenges into opportunities.

Here are some ways you can partner with LEAVEN:

- Invite 25 friends to your home for a diaper drive to provide for our littlest clients.
- Take 25 brochures and pass them on to your associates at your place of business, school or church.
- Ask your church to hold a 25 second mission moment during a service to honor LEAVEN. Or ask your church to invite a speaker to talk about LEAVEN for 25 minutes after your weekly service.
- Honor someone special by donating \$25 to LEAVEN...we provide the acknowledgement card.
- Take 25 seconds to visit our website often to read about the success stories from LEAVEN clients.
- Imagine the impact to your life if you lost 25 hours of work each week and still had to meet all of your basic needs.
- Visit LEAVEN's main office for a 25 minute tour. See our mission in action.

Make 2012 the year to celebrate neighbors helping neighbors!
