The historical society and the American Legion held a ceremony in the cemetery for WWI veteran, Louis Grignon. The society ordered a headstone from the Department of Veterans Affairs on behalf of his descendants. Family did not show up. Ceremony in cemetery was great. Monday, Dec 8 they will present flag to the Peeters family at Village Hall at 7:00.

Historical Christmas room display in the windmill was explained. Kathy & Joe will let us borrow poles and chains from the Grignon home for our display to keep people from handling things in the display.

Pete has white lawn chairs if we need them for anything. We will let him know if we need them. Also has posters and spinning wheel that he will drop off at windmill.

Gene showed items that have recently been donated to our society. They include the Bishop's wooden shoes, Key to Zeeland Mill, and a yoke for carrying buckets.

Christmas party Dec 15 at Main event. There was a discussion about whether or not we should invited guests to our party. It was decided that we should stay with our members and their quests.

Jay & Gene are working on things that still need to be addresses for occupancy to the visitor center to pass inspection.

The meeting was adjourned at 6:00 and we moved to basement to see new items.
