Minutes of the last meeting were passed out and read. Dale made a motion to accept, 2<sup>nd</sup> by Carol. All were in favor.

Treasurer report was passed out. Paul pointed out the sales amount on the report has still not been paid to us by windmill. Faye made a motion to accept. 2<sup>nd</sup> by Dick. All were in favor.

St John's Craft Show update by Virgie. 9 ornaments sold and 3 books. Windmill did very well too.

Debbie's new assistant quit so they are looking for a new person.

The Village has decided that no sign will be placed at the Little Chute exit on the Highway for things to do in the Little Chute area. The cost is too high, \$1,400 to set up. Plus there is a monthly fee as well.

Quilt Show update: We are having trouble securing display racks for the show. Our source has sold them to another party. Rosie & Faye suggested contacting the County Extension Office, Karen Dickerel to borrow show racks from County Fair.

Ornament update: Ornaments will be picked up on Dec 1. They will then need to be boxed up. There will be an article in the Times/Villager on the ornament.

Christmas meeting at Main Event Dec 19 at 5:30. Let Virgie know so we have a number for reservation.

It was suggested that we have a space for us to sell our things at the Neenah Museum next year. Gene will look into it & get more information from Mike Van Asten.

We will adjourn to work on our project. We will be going through boxes from Outagamie County. We will take out Little Chute things and Kaukauna things. Then we will decide what of those we will keep at a later date.

Faye will accept the nomination for Vice-President.

Dennis made a motion to close. It was 2<sup>nd</sup> by Carol. All were in favor.

The meeting was adjourned at 5:53.

Respectfully submitted,
