

Little Chute Historical Society

March 16, 2015

The meeting was called to order by President, Virgie Janssen, at 5:30. Member present: Ellen Mischler, Gene & Virgie Janssen, Dick Evers, Jane Vanden Heuvel, Bob Wenzel, Carol Van Boxtel, Jeanne Selig, Joe & Kathy De Bruin, Jerry Vanevenhoven, Paul West, Delores Sedo, Karen Mulry, Dennis Graf, and Mary & Pete Arts.

The secretary and treasurer's reports were passed out and read ahead of time. Dick made a motion with changes to accept the secretary's report. It was 2nd by Carol. All were in favor. Jane made a motion to accept the treasurer's report. It was 2nd by Gene. All were in favor.

Paul gave a presentation on Genealogy at the Appleton Library on Sat. There were about 43 people at the event. It went well.

Gene & Virgie had researchers at their house. They gave us copies of some of their postcards that were of buildings of Little Chute. These were people whose family lived in Little Chute and moved to Chili and Rudolph. The postcards were correspondence from Little Chute Families to them in Rudolph. We will look at them after the meeting.

Another family wants information on a house across from the cemetery. Joe Reynebeau's parents lived in the house. Matt and Louise Reynebeau lived there in 1947. The address is 521 E. Main St.

Virgie & Paul went to Green Bay to order the Fr Vandebroek book. A hard cover book may cost too much as they want a purchase of 500. Therefore, we may not get hard cover unless he comes up with another source, as we only want a few. The soft cover price is 500 / \$3.97. This was a bit more than last quote. Paul showed 2 versions of the cover. We liked the blue ovals best. We will order 500. We did proofing. All is ready to go.

We will have a booth at the Kermis Festival. Cheese Fest is June 6-7 (First weekend in June). We will go on Sat & Sunday only.

We will need 2 tables for our wedding display for the opening on May 16. We will need black table covers. Gene will see if Mike Van Asten can give us these things. We can get black display cloth from Hollie. We will use the Dutch lace curtains to decorate the tables and the display boards we got from Kimberly.

Nancy Arts has agreed to take over the Quilt show if we can get more help for her. We will advertise to interested people to come to an introductory meeting.

Jane made a motion to adjourn the meeting. It was seconded by Dick. All were in favor. The meeting was adjourned at 6:30.

Respectfully submitted,
Ellen Mischler, Secretary
Little Chute Historical Society
