

Little Chute Historical Society

August 18, 2014

The meeting was called to order at 5:30 by President Virgie Janssen. Members present were Dick Evers, Jane Vanden Heuvel, Gene & Virgie Janssen, Paul West, Carol Van Boxtel, Ellen Mischler.

The minutes were handed out and read. The Treasurers report was also passed out and read a head of time. There were no questions or comments.

We looked at book shelving unit that the Library is giving us for our archival space in the windmill visitor center. It will work out great for our storage.

Virgie has received doll buggy and a baptismal gown with history information on both of them. We also received a year book from 1921 & 1922 with a graduation program and article from newspaper. Virgie also received a call for a 2 burner stove with separate oven. We have no room but will see what we can do after the windmill is open.

Ellen showed the 4 framed posters with the information that we are going to use in the windmill visitor center. We will be using command strip to hang everything so it is done on a temporary basis for now. She gave a bill to Paul. Virgie also presented a bill for folders for Arnold Verstegen letters.

One of our T-shirts styles has been discontinued. We need to pick another one. Virgie will take care of that. She will do that before Kermis. We will have a variety of sizes in all styles for Kermis. The historical society will set up on the plaza area and sign people up for the windmill tours.

We will also get together at noon just before Kermis to spend some time with our out of state and visitors from the Netherlands. A date and place will be sent out as the time gets closer

Paul has been working at cemetery and cleaning old stores. Making slow progress. He has been getting help from some grade school students.

Ellen had to leave early. We will not have a Sept meeting because it is so close to Kermis.

Respectfully submitted,
Ellen Mischler, Secretary
Little chute Historical Society
